ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic and is the best remedy for diarrhoea. Twenty five cents a bottle.

ALL SORTS.

The McKee Rankin dates have been cancelled.

If you don't use Lily White Flour you don't get the best.

A trial is all that is necessary to warrant the use of "Lily White" Flour.

The Appeal acknowledges some wine from Henry Decker. This time it was a girl.

Corbett, and Maher, the Emerald Island champion, have been matched to fight for \$5000 a side.

For fine watch and jewelry repairing go to Golden's. We are receiving new and elegant designs in jewelry every day. s11f

The men charged with selling liquor to the Indians were arraigned yesterday. All pleaded guilty but Harrington. They will be sentenced at 10 this morning. Green, charged with stealing mail sacks will be tried Saturday.

W. H. Spragg of Waukuska is in the city. He says that Mason Valley ranchers are jubilant over the fact that a creamery is about to be started there and that in future there will be a pay day once a month instead of once in two years.

Timothy Healey is earning a world-wide reputation as a common and very dirty blatherskite. He is making speeches in which he insults Parnell's widow and sister. It is a pleasure to learn that he was horsewhipped yesterday by a relative of Parnell.

Another atrocity on the high seas has been aired by the San Francisco papers. The Captain of the whaler Grampus forced his men to work in harness with dogs and flogged them along in the snow beating the men more than the dogs. He also lashed them to the mast and flogged their bare bodies with rope cords. He will probably be tried in the courts and some shyster lawyer will make a fee getting him acquitted.

Stewart has always been more of a Democrat than a Republican, and if the truth were known, we believe his ticket would show that he voted for Cleveland as against Harrison. Didn't he vote to confirm Lamar, the rankest rebel in the U. S. Senate, as well as stand in against his party colleagues on the Federal Elections Bill?

The above paragraph appears in an Elko paper credited to the Appeal. It originally appeared in the Tribune.

Agents who come to Carson to pawn off worthless town lots in neighboring States and Territories should be compelled to pay such a heavy license that it would be unprofitable to work the town. Keep the money home and help build up Nevada.—Tribune

The above is a queer paragraph to appear in the Tribune. Queer for the fact that the proprietor of the Tribune invests all his surplus money in California real estate. He simply takes money from Carson merchants and sends it to California because he has no hope in the future of Nevada.

Jones is Here.

Orlando Jones, ex-editor of the Bodie Miner, has reached this city and will lecture on the D-lights of Drunkenness.

He handles the temperance question from a new and unique standpoint, and preaches a temperance sermon in his discourse. He will lecture at Odd Fellow's Hall. There will be no charge of admission but a collection will be taken up to defray expenses.

Dr. Fox treats all diseases of the rectum, including hemorrhoids, fissures, fistulas and ulcers, on modern scientific principles and radically cures without pain, without loss of blood and detention from business.

Having secured the services of the well known Carson shoemaker Mr. E. F. Morton, we are prepared to do all custom work and repairing at short notice, and in a first class manner. Jason S. Burlingame. o10

YESTERDAY'S ELECTIONS.

MCKINLEY WINS IN OHIO.

Fassett Loses in New York.

Special to APPEAL.

SAN FRANCISCO, Nov. 3, 1891.—New York: Flower has been elected Governor by majority over twenty thousand. Flower carried New York City by about fifty thousand. Brooklyn and King counties brought him up to 72,000; Fassett carried State outside by about fifty thousand, falling far below Millers figures at last elections.

Cincinnati—Lincoln Club, this city estimates McKinley's majority Hamilton Co., 6,500. State eighteen to twenty thousand.

Brooklyn—480 districts out of 647, Elmer 58,544, Fassett 46,657. Boston, fifty towns, Allen (Rep.) 7840, Russell (Dem.) 5665.

New York—366 districts outside of New York and Kings county, Flower 40,607, Fassett, 42,321.

United Press has dispatches from Columbus, saying if present rates are maintained, McKinley will be elected by 26,000.

Huron, S. D.—Elections in this State for Congressmen only. Returns from 59 precincts show that Jolly (Rep.) leads both competitors.

Cincinnati—33 precincts outside Cincinnati gave McKinley 4980, Campbell 3050. Complete returns from Elmhurst City, Fassett's home, show plurality for Flower of 504.

New York—502 districts outside N. Y. and King's county, Flower 55,006, Fassett 57,567.

Press Association bulletin says returns from all parts of State show Fassett's majority in the 55 counties north of the Harlem will not exceed Davenport's in 1885—49,271. Flower's majority south of the Harlem, about 72,000.

Lincoln County on Her Dignity.

At a meeting of the taxpayers and citizens of Lincoln county, held at Pioche on the 21st inst., it was unanimously resolved,

That, whereas, the State Board of Equalization and assessment has shown by its action in relation to the assessment of the property in this county, that it did not know what it was doing, and could not gain the necessary knowledge to inform itself, and that such facts show the unconstitutionality of the Statute by which said Board was created, and that the notice that this county had of the action of said Board was such—being only 48 hours—that this county could not appear before said Board and contest the same.

We deem it our duty to instruct and recommend the officers of our country to proceed to collect the taxes as levied and assessed by them, and utterly ignore the action of said State Board of Equalization and Assessment, as being unauthorized and acting in an unauthorized manner.

A nephew of Parnell publicly horsewhipped Tim Healey in Dublin yesterday.

The elections in the East are passing off quietly and most of the tickets are being voted straight.

A propensity to brag of her deeds is likely to send Helen Forslund, otherwise Charley Miller, the female footpad, who is on trial at Helena, M., to the penitentiary.

E. A. Needham, a student at the University of the Pacific at San Jose, while attempting to play a practical joke on a fellow student, fell from a tree and fractured his skull. The injured man will die.

Captain Charles Fitzallen a resident of San Diego, was shot and seriously wounded by W. S. Root near San Miguel Mountain in San Diego county, Saturday. The ranches of the two men adjoin, and bad feeling had existed for some time.

Property owners along the Santa Ana river are fearful of the breaking of the Bean-Valley dam, in the case of continuous and heavy rains and are thinking of forcing the company to keep the water at a certain height and strengthen the works. A break would cause untold loss.

The Minstrels.

There is no reason in the world why Carson shouldn't produce a combination of burnt cork artists equal to any other local company. We have had all sorts and conditions of theatricals but minstrelsy, in the last ten years and the boys propose to comply with a request from the public and sweep the boards clean for a new deal. The man who never smiles had better not attend the initial performance as it is a side splitter from start to finish and might hurt him.

There is nothing like laughter to take the stiffness out of a cross and crabbed individual as is proven by the case of a Reno man who laughed so hard at Charlie Reed that he shook a languishing \$20 piece out of his pocket and allowed it to go on his subscription bill to the Gazette.

There is no Secret

About your buying shoes to advantage. You may not know any more about the quality of leather than you do about a lost comet but that is no reason why you should get "stuck." Either you get your money's worth or you don't and if you don't is your own fault. We are in the shoe business because we happen to know something about shoes and leather. It is "bread and butter" to us, therefore we make it a STUDY. Of the knowledge you get as much benefit as though you possessed it yourself for we place it entirely in your disposal and if you think that other houses can quote lower prices than we do, come and look at the goods and and prices. We will put our time against yours and we feel confident that the result will be a mutual benefit.
